Miriam**Today at 6:18 PM**  
Your vassal has killed me a lot today  
I dont fight

---

[West Slavs]Wulfric**Today at 6:18 PM**  
I suppose

---

Miriam**Today at 6:19 PM**  
I just dont see why we are fighting?  
The Bloody Dream started attacking us before we even had walls

---

Mike\_aka\_Mikaeli**Today at 6:20 PM**  
I'm here  
Wulfric, I will get to the point. The Bloody Dream attacked us and we fought back. We had to bring friends to live. And then you started helping them.

**Miriam**Today at 6:21 PM

Hey Mike hes from the same city as my little brother the exchange student

---

**Mike\_aka\_Mikaeli**Today at 6:21 PM

We cant hope to fight you. We dont want to fight you. You all outnumber us 20 to 1.  
Neat Mir.

---

**Miriam**Today at 6:22 PM

We just want to play

---

[West Slavs]WulfricToday at 6:22 PM

Well, this whole situation has nothing to do with BD

---

**Miriam**Today at 6:22 PM

Why are we being attacked?

---

[West Slavs]WulfricToday at 6:23 PM

Our cooperatins with them has a different reason then raide on you

---

**Miriam**Today at 6:23 PM

There is no reason to raid us

We have nothing!

---

[West Slavs]WulfricToday at 6:24 PM

As I remmember you declerac war on us

After you stop one of my man on the hill near to BD

---

**Mike\_aka\_Mikaeli**Today at 6:24 PM

We only declared war because you attacked and killed 2 of us

---

[West Slavs]WulfricToday at 6:24 PM

Someone of you told him to leave or die

---

**Miriam**Today at 6:24 PM

I think there may have been some miscommunication that day Wulf

---

[West Slavs]Wulfric**Today at 6:24 PM**  
in short form

---

Mike\_aka\_Mikaeli**Today at 6:25 PM**

There was miscommunication

We have no problems with west slav other than we are being attacked by them now

---

Miriam**Today at 6:25 PM**

I think one of guys may have worded things bad that day

He was trying to tell your guy that there was a battle happening and if he wasnt involved he should go so he wouldnt die

I assure you we are really a good group of nice people we do not fight unless someone fights us

---

Mike\_aka\_Mikaeli**Today at 6:27 PM**

Wulfric I am telling you we have no desire to fight you and the war dec can be dropped right now. I need to know what needs to be done to stop the attacks.

---

[West Slavs]Wulfric**Today at 6:29 PM**

The solution will be very brief and simple.

But first, let me ask you a few things..

---

Mike\_aka\_Mikaeli**Today at 6:29 PM**

Sure

---

[West Slavs]Wulfric**Today at 6:29 PM**

First

Your relationships with Duchy of Wessex

Island Knight

Ronin

And Werheim too

---

Miriam**Today at 6:30 PM**

Well I can only talk about one. Wargheim lived near us on Telmun

---

[West Slavs]Wulfric**Today at 6:30 PM**  
I will also tell then you why I am asking

---

Miriam**Today at 6:31 PM**  
I dont know the others so thats Mikes department

---

Mike\_aka\_Mikaeli**Today at 6:31 PM**  
We are in a defensive alliance with those guilds  
Why are you asking

---

[West Slavs]Wulfric**Today at 6:33 PM**  
So Wargheim are also in this alliance  
?

---

Mike\_aka\_Mikaeli**Today at 6:33 PM**  
No wargheim is our close friends  
The others are just defensive allies

---

Miriam**Today at 6:34 PM**  
I think Wargheim is the only one we really know well  
The others just offered to help us

---

[West Slavs]Wulfric**Today at 6:35 PM**  
And whats is the idea of Wessex about us and our attending?  
Or I will explain before  
to maintain decent behavior

---

Miriam**Today at 6:35 PM**  
Yes please do because if they are not good people I would like to know

---

Mike\_aka\_Mikaeli**Today at 6:36 PM**  
Yes please explain  
As I said, we are in a defensive pact with wessex, we have no relations beside that

[West Slavs]Wulfric**Today at 6:40 PM**

Recently one of our hunters was attacked by Duchy of Wessex. We wanted compensation for them, they refused. We had enough work to do on our peninsula with past enemies. But then the attack was repeated after two days. One of our regional affairs merchants was ambushed and killed again by the people of Duchy of Wessex.

They didn't want to be responsible for their crimes

But now they will have to

---

Miriam**Today at 6:42 PM**

I can understand that completely. But we did not do it and honestly I dont think they mind you killing us. I dont think that effects them.

I mean I think we have talked to them like twice

---

Mike\_aka\_Mikaeli**Today at 6:43 PM**

Wulfric we cant make them do anything they dont want to. What do you want from us?

---

Miriam**Today at 6:43 PM**

We are not their vassals

We are a very small guild

---

[West Slavs]Wulfric**Today at 6:44 PM**

I didn't want to get you into this situation. But I cannot say that you have not helped it in part

---

Miriam**Today at 6:45 PM**

So how do we make peace?

I mean you guys can keep killing us until we quit the game and what good will that do?

Wessex wont care we are not part of them

There is no reason to kill us.

---

[West Slavs]Wulfric**Today at 6:47 PM**

I will offer you solution

I am not a tyrant and as a representative I respect the laws of our community

I can offer you vassalage

---

Miriam**Today at 6:48 PM**

We said one year ago when we started this game we will not Vassal but I am not the leader

Im just saying now I will quit..

Green zone it is

---

**Mike\_aka\_MikaeliToday at 6:49 PM**

Wulfric is that the only answer? Vassal or die?

---

[West Slavs]Wulfric**Today at 6:50 PM**

It is Mike

---

**MiriamToday at 6:50 PM**

You tried mike.

It is sad that you will grief a guild

For no real reason

---

**Mike\_aka\_MikaeliToday at 6:51 PM**

Ok, that's all we have to talk about Miriam

---

[West Slavs]Wulfric**Today at 6:51 PM**

The declaration of war is a good enough reason

---

**Mike\_aka\_MikaeliToday at 6:51 PM**

That was a mistake we agreed to rescind and repay for.

---

**MiriamToday at 6:52 PM**

Lets go Im moving my toon to the green mike they cant do anything to you there anyhow

---

**Mike\_aka\_MikaeliToday at 6:52 PM**

I just want you to know that if anyone asks I will show them this chat log and we tried to offer peace and was told vassal or die

---

[West Slavs]Wulfric**Today at 6:53 PM**

Its up to you to keep private or not

I speak openly and deal with everyone equally

**Mike\_aka\_Mikaeli**Today at 6:54 PM

Ok. Please let me know if something changes and there is another way for us to make peace without vassaling

---

[West Slavs]Wulfric**Today at 6:54 PM**

There isn't

---

**Miriam**Today at 6:55 PM

I dont think I would ever be okay with being a vassal like that we will be in war always so lets just go

---

[West Slavs]Wulfric**Today at 6:55 PM**

I would like to avoid a speech of my generals

I am giving you chance.

I dont want to make a slave from anyone

It is only important to be responsible and for your actions

---

**Mike\_aka\_Mikaeli**Today at 6:57 PM

I am telling you we will not be forced into vassaling. If there is no other way we are done.

---

[West Slavs]Wulfric**Today at 6:57 PM**

Then I am sorry and wish you good luck

---

**Miriam**Today at 6:58 PM

I hope you enjoy ruining the game for others

Seems fun!

---

[West Slavs]Wulfric**Today at 6:58 PM**

I am not

---

**Miriam**Today at 6:58 PM

Have a good one
